  - Veronica Vigil, Big Brothers Big Sisters  
Veronica works with the Big Brothers Big Sisters program who are starting a site base program here in Socorro. Volunteers would have to commit one hour a week spending time with a kid in an afternoon program. They are looking for a pool of volunteers. You can work with others in the program if you don't have enough time to commit. Big Brothers Big Sisters will work around your schedule. Information is available in the VP office. This looks good on resumes.  
Vanessa: Is retraining required.  
No.  
Yee: Have BBBS talked to schools already  
Yes. BBBS is talking and looking at schools close to campus.  
The BBBS commitment is 1 year but it turns into a pen pal during the summer.

E-mail is broken. There are software bugs found on email server. The current email server died. Webmail will continue to work slow if at all until problem is fixed. If there are any lost emails file a ticket with TCC. Email might take a while to work correctly again. The TCC apologizes for any inconvenience this might have caused.
