

TCC Hotline

New Mexico Institute of Mining & Technology
Tech Computer Center

August 31, 2006

Disk Quota Increased to 400MB

The free disk quota on the U: drive has been increased from 200MB to 400MB for faculty, staff, students and research accounts.

Email Quota Increased to 350MB

The email quota has been increased from 150MB to 350MB.

New Computer Lab in Fidel Building

A new computer lab with 13 PCs and a printer has been installed in the Fidel Building.

New Computer Classrooms in Cramer Hall

Two new computer classrooms each with an Instructor Cluster have been installed in Cramer Hall rooms 101 and 120. Room 101 also has a printer that is connected to the TCC network. You may schedule the use of these rooms through the Registrar's Office.

Training Class on Instructor Cluster

The TCC provides a 15 minute one-on-one training session for anyone that wants to learn how to utilize the Instructor Cluster available in all of our Computer Classrooms. Please call x-5735 or email ray@nmt.edu to schedule a class. Note that all of the Instructor Clusters now have a VCR/DVD combination unit.
