TITLE: ASSISTANT PROFESSOR
DEPT: CHEMISTRY

REG ☑ TEMP ☐ FULL TIME ☑ PART TIME ☐

STARTING RATE or SALARY RANGE: Negotiable
Employees being promoted to a higher classified position receive the minimum for the position or a pay rate adjustment of 8% whichever is greater.

JOB DUTIES & REQUIRED QUALIFICATIONS:

The New Mexico Institute of Mining and Technology (New Mexico Tech) seeks applicants for a tenure-track faculty position at the Assistant Professor level to start Fall 2016. Qualified applicants must be able to teach Chemistry courses at the undergraduate and graduate levels, as well as initiate and sustain a nationally-recognized, vigorous, externally-funded research program in the area of experimental biochemistry. As General Chemistry is part of the core curriculum at New Mexico Tech, applicants must demonstrate a strong commitment to quality instruction of General Chemistry (two semesters) suitable for engineering and science students. The Department of Chemistry supports both M.S. and Ph.D. degree programs. Applicants with research interests and experience in the area of biomedical science are preferred. A Ph.D. in Chemistry or Biochemistry is required and postdoctoral experience is preferred. Applicants must submit a cover letter, resume, research plan, teaching philosophy, and arrange for three letters of reference to be sent directly to Chemistry Search Committee, Human Resources, 801 Leroy Place, Box 165, New Mexico Tech, Socorro NM, 87801. Application materials may also be submitted by e-mail to jsalome@admin.nmt.edu. The review of applications will begin on January 30th and will continue until the position is filled. New Mexico Tech is an equal opportunity employer.
