How did you hear about this program?

There are five possible research projects for you to be involved with this summer. Please indicate and rank the three projects in which you are most interested (1 = most interested, 3 = least interested). Descriptions of the projects are available on the program web site (<http://www.nmt.edu/~climate/>).

- \_\_\_\_\_ Acequia Hydrology
- \_\_\_\_\_ Dynamics of Dissolved Organic Matter
- \_\_\_\_\_ Hyporheic Zone Effects and Water Quality
- \_\_\_\_\_ Groundwater/Surface Water Interactions
- \_\_\_\_\_ Distribution and Fate of Geothermal Solutes

As part of your application to this program, you will automatically be considered for a second program, *Interdisciplinary Science for the Environment* (<http://www.nmt.edu/~reu>). Which of the research projects in that program are you most interested in?

What are your future academic and career plans?

What do you expect to learn from participating in this program? (Attach additional pages, if needed)

In addition to this application form, please have an **official transcript** and **two letters of reference** sent to the address below. Please use the official form for the reference letters.
