Student Enrollment and Graduation Data for Civil and Environmental Engineering

Enrollment data is taken from that reported in Institutional Research's Annual Basic Profile of Students, and can be found at http://www.nmt.edu/student-data

- **Number of students enrolled in civil and environmental engineering by year**

- **Number of degrees conferred in civil and environmental engineering by year**

Graduation data is calculated based on students who graduated during an academic year that ends in the spring of the year indicated.
