Children in the Library Policy

The New Mexico Tech Skeen Library provides a welcoming physical environment to promote life-long learning and to assure an atmosphere conducive to research. Children who use the library must follow these guidelines:

Library Use

Anyone under 15, not in possession of a valid New Mexico Tech ID, must be under the direct supervision of a parent or guardian.

Computer Use

Open access computer use is limited to one hour per day. Anyone wishing to use computers will be asked to sign in at the main desk. They will then be given an access code and assigned to a computer.

Computer users must comply with the *Internet Use Policy* (<http://www.nmt.edu/~nmtlib/InternetPolicy.pdf>)

Appropriate Behavior

Any person behaving in an unacceptable manner will be asked to leave the library premises and may lose their library privileges.
