Which chapters/year?

Please describe how this scholarship would affect your finances at school:

Do you work while in school? Yes No

Where: _____

How many hours/week? _____ Employer's Telephone: _____

Undergraduate Scholarship Application for 2008-2009

Summarize why you wish to pursue a career in the petroleum industry. Discuss your area of interest or specialty i.e. drilling, completion's, reservoir etc.

If you felt that a significant number of people viewed the petroleum industry as a polluting, dying industry, what would you want to tell them about the future of hydrocarbon fuels to refute this image?

An undergraduate scholarship award by The Denver Section SPE is contingent upon the recipient being officially registered in school and enrolled as a full-time student in a curriculum leading to a degree in petroleum engineering.

I hereby acknowledge that the information submitted in this application is true and correct.
