Every effort will be made by Four Corners New Mexico Regional Science and Engineering Fair (FCNMSEF), Northeastern New Mexico Regional Science and Engineering Fair (NENMSEF), Northwest New Mexico Regional Science and Engineering Fair (NWNMSEF), San Juan Regional Science and Engineering Fair (SJRSEF), Southeast New Mexico Regional Science and Engineering Fair (SENMSEF), Southwest New Mexico Regional Science and Engineering Fair (SWNMSEF), and New Mexico Science and Engineering Fair (NMSEF) to protect your exhibit. Accordingly, it is recommended that each exhibitor take strict precautions to prevent any theft, loss or damage to their Exhibit and/or other property. Exhibitors should secure their property at all times during the Exhibition, and remove all valuable components, especially those that are easily portable.

PUBLICITY

NMSEF and Regional Science Fairs are prestigious events, and your presence is newsworthy. The organizations or business sponsoring awards at the FCNMSEF, NENMSEF, NWNMSEF, SJSEF, SENMSEF, SWNMSEF, and NMSEF may wish to publicize their involvement in such an important science competition by using photographs or information about you. Your cooperation may make it possible for other promising young students to get involved in science.

I give permission to NMSEF and its affiliates to use appropriate information about me for publicity purposes. This includes any photographs, videos, or likeness(es) that may be used by the Science Fairs publicity committee, or the sponsors of awards for the purposes of illustrations, advertising or publication in any manner. I also consent to the use of my name in connection therewith.
