SCOPE Notices

NEWS:

--We are sorry to report on the death of David Cady, a physics student. http://infohost.nmt.edu/mainpage/news/2006/7aug01.html
WHERE ARE THEY?

--During the past few months, many offices at New Mexico Tech have moved. Are you lost, confused, and distressed? NEVER FEAR! Print out this handy guide and take it along with you!
http://infohost.nmt.edu/mainpage/events/where.html

FIDEL CENTER GRAND OPENING:

--Fidel Center's Grand Opening for students, faculty, staff, and community is set for Aug. 21 - Sept. 1. Fun, games, prizes, treats! Come explore our lovely new building! Everyone is welcome. See schedule at http://infohost.nmt.edu/mainpage/events/fidelgo.html

JOIN A PARADE!

--The Socorro County Fair Parade will take place on Saturday, Sept. 2, beginning at 10 a.m. The theme for the parade is "The Heart of the West" The parade route begins at Sedillo Park, travels south along California Street and ends at Spring Street. The parade entry forms are available at the Socorro Heritage and Visitors Center, 217 Fisher Avenue.

MUMPS AND MEASLES:

--Several states in the Midwest have had outbreaks of mumps and measles in the past few months. It is expected that these viruses may spread with the return of students to campuses in the fall.

--The Student Health Center recommends that everyone in the Tech community review their immunization status. Persons who have actually had these diseases are considered immune (usually, people born before 1957). The Health Center will offer, at a charge, MMR (measles, mumps, and rubella) vaccine to persons without evidence of adequate immunity. If you have not had the diseases or are not sure about your immunity status, please contact the Health Center at 835-5094. They need to know how much vaccine to order.

HOUSE ON TECH HILL:

--1218 South Drive is for sale. Please contact Hai Xiao and Ming Luo at (505) 838-2053.
--SCOPE advertises ONLY houses on Tech Hill for sale. Since New Mexico Tech owns the land under the houses on Tech Hill, state law requires us to offer these houses for sale to the Tech community (and NRAO) before they are made available to the general public.

--SCOPE does not advertise any other houses for sale or rent. SCOPE is not allowed to compete with the private businesses that sell houses and sell advertising.

**SPEND A WEEK ON MARS (IN UTAH):**

--NASA is now accepting applications for Spaceward Bound -- a one or two-week student training and research mission to the Mars Desert Research Station (MDRS) in Utah. Of the crews that will be sent, many of the next generation of moon walkers, and the first Mars walkers, are sitting in universities and graduate research labs right now. Crew members will be expected to plan all aspects of the expedition, including learning how to get along "off the grid." There will be four two-week expeditions mounted in March and April and two one-week expeditions in October 2006.

--Applications are being sought for 24 crewmember positions: anyone majoring in an engineering or scientific field is welcome to apply. This program is open to all US citizens who are currently enrolled in a degree granting college or university program. Preference will be for people with field research experience or a demonstrated comfort in being in a rugged environment.

For details, see [http://quest.nasa.gov/projects/spacewardbound/students.html](http://quest.nasa.gov/projects/spacewardbound/students.html)

**INTERNATIONAL FLAGS:**

--The flags flying in front of Fidel Center represent the many countries that have students attending New Mexico Tech. From July 17 through Aug. 13, the flags represent Morocco, Vietnam, Iran, Czech Republic, Cameroon, and Poland. The United States flag flies daily in front of Brown Hall.
