SCOPE Notices

CAREER SERVICES (WELLS 111):

Faculty and Staff: Are you looking for student employees?

On-campus student job opportunities can be posted and advertised on-line via MONSTERTRAK. Students will have 24-hour access to search for jobs, including on campus employment, internships, and permanent off-campus positions. In addition, the jobs are posted on a bulletin board in Wells.

As a potential employer of students, you can post your job openings online, with complete editing and modification capabilities, and when the position is filled, delete the posting yourself (no more students wandering in asking about jobs that no longer exist!) It's an easy system to use. If you don't have a MONSTERTRAK account or have previously registered and need a little assistance, feel free to call 835-5060 (Career Services).
Students who want to work on campus need to:

1. Complete an I-9 form at the Payroll Office (Brown 2D) and
2. Obtain and complete their portion of the Student Information and Employment Authorization Form at the Financial Aid office (Wells 124)
