For events further in the future, see the New Mexico Tech Calendar, http://infohost.nmt.edu/mainpage/calendar/mastercal.html

SCOPE Notices

NEW ON THE WEB:

KUDOS:

--Congratulations to students who made the honor roll, Fall 2005! http://infohost.nmt.edu/mainpage/honors/2005fall.html

--New Mexico Tech grad students Jason Mattax and Scott Miller and Tech
undergraduate James Kearney ably represented the university by volunteering their time at an information booth set up this past November at the "SC/05 Gateway to Discovery" supercomputing conference in Seattle. The collaborative booth/display, titled "High-End Computing along the Rio Grande," included information on research being done at New Mexico Tech, New Mexico State University, the University of New Mexico, and the University of Texas-El Paso. In addition, New Mexico Tech computing researchers displayed eight research-related posters at the international conference.

FE EXAM:

--Engineering majors are required to take the Fundamentals of Engineering (FE) exam in order to graduate. If you are planning to graduate this semester and you have not yet taken the FE exam, please see http://infohost.nmt.edu/mainpage/registration/feexam.html. **Deadline to sign up is March 1.** The exam will be given on April 22.

FOLK MUSIC AND DANCE:

--New Mexico Folk Music and Dance Society holds a dance camp every Memorial Day weekend on the NMT campus, in the Tech Gym. They do contra dancing, English country dancing, and related forms. They also have workshops for musicians. Their newsletter and sign-up form is at http://www.folkmads.org/2006FM_broch.pdf.

COMMUNITY COLLEGE CLASSES:

--The following community college classes did not make it into the Spring Schedule:

- "Authentic Foods from India," CC107C-01, CRN 36375, meets for four sessions on Mondays, from 5:30-7:30 p.m. at Sarracino Middle School. Class starts on Jan. 30. The instructor is Mrs. Pritha Ghosh. Tuition is $50, lab fee $15 to cover food expenses. Come and enjoy making and eating foods from India!
- "Small Arms Ammunition Reloading," CC 928, Wednesdays, 6 to 9 p.m. Kelly Hall. Begins February 1. For more details, call Jim at 835-5409.

WOMEN'S SOCCER COACH WANTED:

--The New Mexico Tech Department of Physical Recreation seeks a coach for the women's soccer club. Responsibilities will include two or three weeknight coaching sessions, plus Sunday matches in the Albuquerque Soccer League. Practice season early- to mid-February to end of April, with matches March and April. Stipend $4,000 per semester. Apply NMT Gym office, Melissa Begay, 835-
FACILITIES MANAGEMENT CONSTRUCTION UPDATE:

Campus Drive is available for parking as of Jan. 14!

Fidel Student Services Center: Expected move-in date is MARCH 2006.

Hail Damage Repair Schedule:

Speare Hall -- tear-off has begun
South Hall should be finished by Jan. 20

Date Pending:
Kelly Hall
Jones Hall
MetTop
Golf Pavilion shed roofs
Core shed roofs
Greenhouse shed roof

Chiller Plant Addition:

The Chiller Plant establishes additional operational chilled water lines throughout the campus. Estimated completion: January 2006.

Magdalena Ridge Observatory

- Road Maintenance and upgrade - the road is maintained to provide continued drivability and safe conditions. Maintenance is performed continually.
- Utility Trench Construction
- Single Telescope Building Construction

Cramer Hall Renovation:

Existing and new building are being insulated. Exterior insulation and efis is being applied. Mechanical/electrical work near completion at new addition. Duct work, window framing, insulation, and roof work are ongoing. Estimated finish date: June 2006.

--Updated on Jan. 13, 2006, by Glenda Chavez of Facilities Management. If you have specific questions about this list, please contact Glenda.

REMINDER: Facilities Management requests that everyone be aware of the orange safety barriers on campus. The orange barriers have been placed for the
purpose of personal safety and protection. Please be aware that many areas have been barricaded with orange mesh, caution tape, barrels, or cones.
