Welcome to our 13th Annual 49ers Golf Scramble

The scramble is on! In 2014 we had an astounding number of alumni and industry golfers play in our scramble. The NMT SPE chapter is still the only student club on campus to host an event that has a record number of alumni!

Proceeds from the New Mexico Tech’s SPE 49ers Gold Rush Golf Scramble benefit the student chapter to help fund activities, travel to seminars and conferences, hold meetings with guest speakers and workshops, and arrange field trips throughout the year.

The student chapter is planning travel to: ATCE 2015 Houston, attend the SPE Liquids Rich Basin Conference in Midland, TX, the 2016 Student Summit, a team to compete in the 2016 Petrobowl Regional Qualifier and the 2016 Southwestern North America (SWNA) Regional Student Paper Contest (Austin, TX), and attend the SWNA Regional Leadership Workshop (Roswell, NM).

ATCE 2016 will be in Dubai and the students are in the preliminary planning stage.
